

SI DICE IN ITALIA

Be inspired by culture and music

A unique and exclusive reward for your employees
by Italian Special Occasions DMC & Events.

At Italian Special Occasions, we are proud to propose a unique, authentic experience for your special event: a performance of the opera "*Si Dice in Italia*" by American composer Lawrence Siegel.

This opera premiered at the acclaimed *Morellino Classica Festival* in 2021 and replicated there and at *Teatro Niccolini* in Florence in 2022.

It tells true stories of real people in the cities of Rome and Bologna and in the Tuscan countryside.

The piece is accessible and easy to listen to, with memorable music and heartwarming stories. It is performed, fully staged, by an excellent cast of singers and instrumentalists from Florence.
